

ASUS BR1100C

Strong, Smart, Powerful Learning Companion

ASUS BR1100C is designed with one thing in mind: to keep on going however tough the environment gets. Built to military-grade standards, it's packed with clever protective features, including an all-round rubber bumper, spill-resistant keyboard and ultra tough I/O ports. BR1100C also supports up to WiFi 6 for fast connectivity and has AI-powered noise-canceling technology for high-quality remote learning and conferencing. There's battery life to handle more than a full day's learning, and a modular design makes it easy to service, BR1100C is ready for anything!

ASUS BR1100CKA-QE1-CB

The ASUS BR1100C has all-rounded rubber bumper to withstand everyday knocks, bumps, drops and spills without damage. So, whether it's dropped from a classroom desk or the dining table, BR1100C is built to keep on going. Its child centered design features webcam privacy shield, antimicrobial keyboard and TÜV certified display to protect eyes. Furthermore, it has an added layer of security with Kensington lock slot and Trusted Platform Module (TPM).

Antimicrobial Keyboard

BR1100C is covered with antimicrobial agent which suppresses bacteria growth and reproduction.

Fast Connectivity With WiFi 6

Fast and stable connections with WiFi 6 to ensure smooth multimedia streaming and lower latency during calls.

Easy On-site Servicing

A modular construction that allows key components to be replaced in minutes.

Military-grade Durability

Passed demanding military-grade MIL-STD-810H to ensure they survive from bumps, knocks or whatever happens.
