

ASUS ZENBOOK UX305 SERIES

AWARD-WINNING, FULL FEATURES & SMARTER CONTROL ON-THE-GO

Ideal for the busy road warriors

The award-winning Zenbook UX305 has been recognized by global media for its first-class premium build quality and design. It is the ideal Ultrabook™ for busy executives who are constantly on-the-go. Armed with up to the latest 6th generation powerful Intel® Core™ i7 processor, Intel™ Graphics 520, SSD capacity of up to 512GB and up to 8GB RAM with 2 x USB 3.0 ports, this fully featured Ultrabook™ provides the performance every busy executive will need for smarter work management on-the-go.

Smarter Presence

Elegant sophistication marks the overall look and design of the Zenbook UX305:

- An all-aluminium constructed cover with a spun-metal finish
- Delightfully thin at 16.05mm and featherlight weight of 1.3kg
- Elegant wedge shape with smooth refined edges

Smarter Performance

With the Zenbook UX305, the smarter performance is expected:

- Up to 8GB RAM and the latest 6th generation Intel® Core™ i7 processor
- Incredible response time with the world's fastest SSDs at up to 512GB SSD that is 6 times faster than a conventional hard disk
- Ultra-fast 802.11ac WiFi for faster internet speed and convenience
- 2 x USB 3.0 ports for faster data transfer rates
- USB Charger+ for faster recharging of devices
- 12 hours of battery life** with WiFi connected

Sharper Display & Richer Visuals with QHD+ Resolution

The Zenbook UX305 has a display which complements its good looks:

- QHD+ display provides 276 pixels per inch (PPI), resulting in higher quality 3,200 x 1,800 visuals

- Wide view display panel with 72% colour gamut, 300cd/m² brightness, 178 degrees viewing angle, offering high image quality, better colour accuracy, and wider viewing angle for a vivid visual experience
- ASUS Splendid technology automatically fine-tunes various display settings to optimise all images, thus resulting in richer, deeper colours for visuals

Smarter Audio Technology

SonicMaster Audio in the Zenbook UX305UA combines custom audio hardware with professional-grade audio processing software:

- SonicMaster Audio technology by ICEpower[®] creates the clearest sound quality of speakers with deep rich bass and crystal-clear vocals, even at high volume
- AudioWizard provides 5 audio modes to suit different audio experiences from movie to recording

Industry-Leading Ergonomic Design

Experience superior comfort even for prolonged usage:

- 1.5mm key travel distance with a full-size keyboard for comfortable and accurate typing
- Golden ratio of keyboard force and stroke which reduces fatigue from prolonged typing
- Raised and contoured design which reduces strain and improves comfort
- The large touchpad uses ASUS Smart Gesture technology which allows for a more intuitive and natural feel with many of the same Windows gestures widely used on a touchscreen of a smartphone.
