ROG SPATHA

WIRELESS / WIRED
GAMING MOUSE

CRAFTED FOR MMO GLORY

INTUITIVE CONTROL

Twelve programmable buttons, including six thumb buttons with Alps® switches for tactile feedback.

8200 DPI laser sensor tracks up to 150ips and 30g acceleration; and a 2000Hz USB polling rate in wired mode.

ULTIMATE CUSTOMIZATION

Easy-swap socket design with Omron® switches for 20M-click durability; includes two additional Japan-made switches.

Customize user profiles, program macros buttons and light effects, and adjust calibration settings via the intuitive ROG Armoury dashboard.

BEST MOBILITY

One-push detachable micro USB cable.

ROG PUGIO

OPTICAL
GAMING MOUSE

Redefining Ambidextrous

TRULY AMBIDEXTROUS WITH CONFIGURABLE BUTTONS

Now you don't need to alter your grip style to avoid side-button misclicks. Decide your own personal side-button layout!

AURA RGB LIGHTING WITH AURA SYNC SUPPORT

Customize lighting with a palette of over millions of colors, and sync lighting effects with Aura Sync-enabled products to complete the look of your rig.

EXCLUSIVE PUSH-FIT SWITCH SOCKET DESIGN

Push-fit design makes it easy to install new switches for the ideal click resistance, or replace defective switches to extend your mouse's lifespan.

ROG MOUSE

ROG MOUSE

ROG STRIX EVOLVE GAMING MOUSE

Transform Your Game

FOUR ERGONOMIC STYLES

ROG Strix Evolve features modular and easily changeable top covers for a customized fit that perfectly matches your hand and gaming style.

ASUS AURA RGB LIGHTING

Customize ROG Strix Evolve's look with a palette of over millions of colors and synchronize its lighting with other Aura Sync-supported components to complete the look of your battle station!

50-MILLION-CLICK SWITCHES

Built to withstand the heavy demands of gaming, the high-quality Omron switches inside ROG Strix Evolve are rated to at least 50 million clicks for the best durability.

ROG STRIX IMPACT GAMING MOUSE

INCREDIBLY LIGHT. STEALTHILY FAST.

Lightweight design tailored for marathon gaming

ASUS Aura Sync RGB lighting

Omron switches with 50-million-click durability

Separate left and right buttons for improved responsiveness
