ASUS Education Solutions Guide
Your champion partner in education

July 2020 Issue
Our Total Education Solution Utilizes Progressive Teaching And Learning Methods

We, at ASUS Philippines, are here to help cultivate the minds of the next generation with a total solution for progressive, innovative, and mobile learning. Education is what countries are built on. For society to progress and nations to sharpen their competitive edge, education must constantly innovate.

At ASUS, we look into the future with current needs in mind to design the ideal education experience both for learning and teaching processes. We believe that with technology, every student and teacher can benefit from an individualized learning and teaching experience that is as effective as it is engaging. Because in today’s digital age, learning and sharing of knowledge does not need to be confined to the classroom — it can be accomplished anytime, anywhere with the help of mobile technology and the cloud. And we, at ASUS Philippines, are here to provide you with the total education solutions.

Why trust ASUS?

CONVENIENCE
Wide Range of Product Lines and Partners Nationwide

From laptops to all-in-one PCs, ASUS provides the best of technology for online and remote learning demands of schools, students, teachers, and staff that are available in our dealer partners, e-tailers, and concept stores nationwide.

EASY & SPECIFIC
Catered to every education level and teaching needs

We first studied what are the specific needs or requirements of each education level and teaching staff especially in the remote and e-learning system. Then with our wide range of selections, we identified what laptops, PCs, and even services are fit and helpful in both learning and teaching processes.

SAFE & RELIABLE
After-Sales Support

Wherever you are, there’s an ASUS Service Center (ASC) that will help you ensure that your device is secured and well taken care of. Each product comes with up to 3 years of warranty. (see page 40-41 to know more)

ASUS Education Program

Special Price on ASUS Products

In this ASUS Education program, we offer special prices for laptops and all-in-one PCs to partner schools, students, faculty, and teaching staff. Whether for procurement or personal purchase, we offer discounted rates. Please see product list on next pages.

Flexible Delivery Options

With the current pandemic and new normal approach – where study at home or remote learning is crucial – ASUS offers flexible delivery options. For partner schools procurement, ASUS can deliver in the school meanwhile for personal purchase, we offer pick-up or delivery option but may vary per dealer partner.

100% Compatible and Optimized for School/Work Applications

ASUS ensures that our laptops and desktops are 100% compatible and optimized with Microsoft, Google, and other popular education applications best for the students and faculty members use. See page 26-27 for the list of education applications Microsoft and Google offer.

ASUS Education Partnership Proposal

- After procurement & delivery of units, the partner school to announce ASUS as an official education partner
- Partner school may invite ASUS to support for school-wide events and activities
- ASUS to invite partner school rep as well in some ASUS events (online)
- Become our “ASUS Success Stories” feature Education partner (See page 28 for sample)

If agree, please let our representative know so we can endorse you to ASUS Philippines Education Team and set a meeting with you.

Durability is a hallmark of ASUS design. We strive to create devices that exceed expectations in any environment. That’s why ASUS laptops undergo a rigorous torture-test regime, including military-grade testing to the demanding MIL-STD-810G standard*. Using up to 15 separate tests in environmental conditions, we hope you’ll never encounter. So whether you’re an urban explorer or an Arctic trailblazer, you can rest assured your laptop is ready for the worst that life on the road can throw at it.

Windows Hello. Password goodbye.

Altitude Test
This tests the ability to survive extremes of altitude encountered in shipping by air or air travel.

Temperature Test
Extremely high or low temperatures tests ensure laptops’ functions consistently for users everywhere.

Humidity Test
This tests the ability to operate in hot, humid environments for ten 24-hour cycles.

EMI Test
This ensures that ASUS laptops perform well in internal or external electromagnetic fields.

Accelerated Life Test
These simulate the effects of long-term operation, so engineers can identify any possible design or component vulnerabilities.

Noise and Audio Test
Laptops undergo fan, hard drive, and power-supply noise tests to ensure the quietest performance possible.

Twist Test
Twist tests confirm that the chassis is strong enough to retain structural integrity even when uneven pressure is applied.

Voltage Test
Vigorous testing with over 20,000 open/close cycles helps ensure exceptional hinge strength.

Shock Test
Shock tests ensure a laptop can withstand unexpected impacts such as accidental bumps, or jarring movements during shipping.

Enhanced Hinge Test
Vigorous testing with over 20,000 open/close cycles helps ensure exceptional hinge strength.

Drop Test
Drop tests check the resistance of the chassis and internal components to damage from unexpected drops.

Extensive vibration testing ensures that the chassis and internal components can withstand even the most extreme travel conditions.

Port Test
Port tests ensure that contacts and plugs are durable even in environments where devices are frequently connected and disconnected.

Touch Panel Precision Test
Checks the responsiveness and accuracy of the touchscreen for a natural touch and writing experience with ASUS Pen.

ATTENTION: Though much care has been taken to ensure the information in this product guide is accurate, misinformation can still occur. Final available SKU, specification and price may vary. Please visit an ASUS authorized reseller for final information as reference for purchase. ASUS recommends genuine Operating System.

*Actual product may vary. Images used for representation purposes only.

*Selected ZenBook and ASUSPRO models will be tested according to the demanding MIL-STD 810G military-grade standard to ensure maximum reliability and durability and the number of tests passed by each laptop model is shown in the individual model’s specifications sheet.

1. For subscriptions that do not include the fully installed Office apps: Users can connect the following versions of Outlook to their business-class email, so they can use the rich client app they already know: the latest version of Outlook, Outlook 2013, and Outlook 2011 for Mac. Previous versions of Outlook, such as Outlook 2010 and Outlook 2007, may work with Office 365 with reduced functionality. This compatibility with Outlook does not include the Exchange Online Kiosk or Office 365 F3 plans.

2. Unlimited personal cloud storage for qualifying plans for subscriptions of five or more users, otherwise 1 TB/user. Microsoft will initially provide 1 TB/user of OneDrive for Business storage which admins can increase to 5 TB/user. Request additional storage by contacting Microsoft support. Storage up to 25 TB/user is provisioned in OneDrive for Business. Beyond 25 TB, storage is provisioned as 25 TB SharePoint team sites to individual users. The OneDrive for Business sync client is available with Office 2016 or with Office 365 subscriptions that include Office 2016 apps. If you don’t have Office 2016, a free download of the OneDrive for Business sync client is also available.

3. Publisher and Access: Windows PC client program and/or features only; cannot be used across devices. Most plans that do not include the desktop version of Office work with the latest version of Office, Office 2013, and Office 2011 for Mac. Previous versions of Office, such as Office 2010 and Office 2007, may work with Office 365 with reduced functionality. This compatibility with Office does not include the Exchange Online Kiosk or Office 365 F3 plans.

The ASUS Commercial 3-Years Warranty was developed to provide an enhanced range of solutions that go beyond the standard warranty to meet the needs of business-critical SMBs and enterprises.

**ASUS ExpertBook**

3 Years Global Carry-in Warranty

The ASUS Commercial 3-Years Warranty is available to ASUS Expert Series Business Laptops and Desktops. The warranty stipulates that any damage which occurs within the 3-year warranty period, provided that the cause of damage is not Customer Induced Damage (CID), the ASUS Commercial 3-Years Warranty will cover 100% of the Service Fee for the cost of the repair, as well as 100% of the Spare Parts replacement Cost.

Another special feature of this warranty is its Comprehensive Contact Center Support wherein clients have priority access to hardware and software experts. Businesses can also request On-site repair with expert technicians to minimize business risk on units experiencing technical problems.
