ASUS Product Showcase / July - September 2023

ASUS ZenBook 14/15
The world's most compact 14" and 15" laptop, with ScreenPad™
PERFECT WARRANTY

WHAT IS THE ASUS PERFECT WARRANTY?

The ASUS Perfect Warranty is born out of ASUS passion in providing premium service and the best after-sales support to all its users. The ASUS Perfect Warranty combines four types of warranty service designed to protect and maintain the excellent user experience ASUS continuously strives to offer in all its innovative products.

1. The ASUS Global Protection Warranty is available to all new buyers starting January 1, 2020, of all ASUS Consumer, Business, and Gaming Laptops.
2. Accessories such as mouse, USB cables, etc., are not covered under the ASUS Platinum Protection Warranty.
3. The ASUS Platinum Protection Warranty can only be used within the Philippines, and must also be products purchased from authorized ASUS dealers in the Philippines.
4. Customers must bring the official receipt as proof of purchase to the ASUS Service Center to avail the ASUS Platinum Protection Warranty.
5. For more information, Customers can inquire via:
   ASUS CALL CENTER
   Landline: (03) 7766-5700
   Operating Hours: Monday to Friday 9AM-5PM
   ASUS SERVICE CENTER
   https://www.asus.com/ph/support/service-center/philippines

WHO CAN USE THE SERVICE?
Customers who purchased their ASUS Consumer, Business and Gaming Laptops starting January 1, 2020.

HOW THE SERVICE CAN BE USED?
Customers must bring the official receipt as proof of purchase to an ASUS Service Center to avail the ASUS Platinum Protection Warranty.

CONDITIONS
1. The ASUS Platinum Protection Warranty is available to all new buyers starting January 1, 2020, of all ASUS Consumer, Business, and Gaming Laptops.
2. Accessories such as mouse, USB cables, etc., are not covered under the ASUS Platinum Protection Warranty.
3. The ASUS Platinum Protection Warranty can only be used within the Philippines, and must also be products purchased from authorized ASUS dealers in the Philippines.
4. Customers must bring the official receipt as proof of purchase to the ASUS Service Center to avail the ASUS Platinum Protection Warranty.
5. For more information, Customers can inquire via:
   ASUS CALL CENTER
   Landline: (03) 7766-5700
   Operating Hours: Monday to Friday 9AM-5PM
   ASUS SERVICE CENTER
   https://www.asus.com/ph/support/service-center/philippines

INCLUSIONS
The ASUS Platinum Protection Warranty covers the events listed below:
1. Accidental Damage
2. Liquid Damage
3. Power Surge Damage
4. Acts of Nature Damage

EXCLUSIONS
The ASUS Platinum Protection Warranty does not cover the events listed below:
1. The installation of wrong program (or illegal program)
2. Use with unauthorized accessories
3. Any damage sustained during transfer, recovery or installation to the laptop
4. Accessories (Mouse, Cable, Bag)
5. Serial number is not recognizable
6. No Official Receipt to present
Global 2-Year Warranty

International Warranty in 83 Regions

We're confident in the quality and durability of our products, so we provide a 2-year international warranty in 83 regions worldwide for selected laptops. ASUS provides a 1-year international warranty for tablets and smartphones. ASUS provides a 1-year local warranty.

ASUS Provides True 2-Year International Warranty

(100% FREE Service Charge & Spare Parts)

Did you know that only ASUS offers a 2-year Global Warranty that is absolutely FREE? Some vendors claim to give a 3-year warranty, but it is actually only 1 year warranty plus 2 years free of service charge. You still have to pay for the cost of replacing spare parts. Under them, this means if the 1 year warranty has expired, you still have to pay the cost of spare parts for repairs.

IWEP Validation Procedure

The International Warranty Extension Package must be registered and activated online within 90 days of your ASUS Notebook purchase date. This package will expire if you have not registered it within the specified period and you will not be able to enjoy the package benefits. ASUS recommends that you register this package right after purchasing it.

To register and activate your ASUS IWEP, follow these steps:

1. Become an ASUS Member

Go to the ASUS Member website at https://account.asus.com/ and sign up to become an ASUS member. If you are already an ASUS member, proceed to Step 2.

2. Register your product

Log in to the ASUS Member website at https://account.asus.com/ and click on “Product Registration” from the left side menu. Please fill in the form with the relevant details of your notebook.

3. Activate International Warranty Extension Package Service

Click on “Warranty Extension Activation” on the left side menu and follow these instructions:
1. Select the registered product for which you have bought the International Warranty Extension Package.
2. On the online form, enter the Contract Code and Password obtained from the back of your ASUS IWEP VIP card. Click on “Submit” to finish the process.

4. Relax and Enjoy Your ASUS Notebook

Congratulations! You are now guaranteed of an excellent ASUS warranty service for your ASUS notebook. Remember to stick your ASUS IWEP Label next to the serial number at the back of your ASUS notebook and keep your VIP card in a safe place for future reference.

The ASUS Commercial 3-Years Warranty was developed to provide an enhanced range of solutions that go beyond the standard warranty to meet the needs of business-critical SMBs and enterprises.

ASUS ExpertBook | ASUS ExpertPC

3 Years Global Carry-in Warranty | 3 Years Local On-site Service Warranty

The ASUS Commercial 3-Years Warranty is a warranty coverage available to ASUS Expert Series Business Laptops and Desktops. The warranty stipulates that any damage which occurs within the 3-year warranty period, provided that the cause of damage is not Customer Induced Damage (CID), the ASUS Commercial 3-Years Warranty will cover 100% of the Service Fee for the cost of the repair, as well as 100% of the Spare Parts replacement Cost.

Another special feature of this warranty is its Comprehensive Contact Center Support wherein clients have priority access to hardware and software experts. Businesses can also request On-site repair with expert technicians to minimize business risk on units experiencing technical problems.

ASUS ZenBook Pro Duo
The Laptop of Tomorrow

Perfect ergonomics, for stylus or keyboard
With ZenBook Pro Duo and the bundled stylus — or your favorite active stylus — you can really let your creativity flow. Both multitouch displays support stylus input, but ScreenPad Plus gives you a superbly ergonomic and stable platform for writing or drawing. Take notes, sketch out your ideas, or do precision graphical editing in the most intuitive way ever.

Ultrapowerful computing
ZenBook Pro Duo is powered by up to a 9th Generation Intel® Core™ i9 eight-core processor, the latest gaming-grade NVIDIA® GeForce RTX™ graphics and blisteringly fast storage. This ultraspowerful combination ensures that ZenBook Pro Duo takes professional-quality tasks in its stride.

Core™ i9
Powered by 10th Gen Intel® Core™ Processor

RTX™ 2060
GeForce graphics

4K OLED HDR, Ultraslim bezels
To display the most accurate, most vivid, and most realistic colors possible, ZenBook Pro Duo’s display has PANTONE® validated color accuracy and supports an exceptionally wide 100% DCI-P3 color gamut, making it a superb all-rounder for professional work and entertainment.

NumberPad
ZenBook Pro Duo features the latest version of the ASUS NumberPad, an LED-illuminated numeric keypad integrated into the touchpad for input efficiency.

IR Camera
Enjoy hands-free login on your laptop, using the infrared camera with Windows Hello to login with just a glance — even in the dark!

ASUS ZenBook 13/14
World’s Thinnest 13" laptop with full I/O ports

NEW

Travel light, travel smart
The compact, thin and lightweight all-metal design of ZenBook 13 and 14 make it the ideal traveling companion. It’s also the world’s thinnest 13-inch and 14-inch laptops to feature a full set of I/O ports — including HDMI and USB Type-A — so you can enjoy versatile connectivity whenever you are.

No charger? No problem!
With ZenBook 13 and 14’s amazing 22-hour battery life, traveling without a charger isn’t a big deal. When you do need to top up, its fast-charge feature can restore the battery to a 60% charge level in just 40 minutes, so you’ll be ready to go in no time.

Connect fast — anywhere
ZenBook 13 and 14 redefine what’s possible in an ultrathin laptop to give you a full complement of I/O ports, including full-size HDMI and USB Type-A ports. The power of Thunderbolt™ 3 is also at your disposal, with two Thunderbolt™ 3 USB-C™ ports that support fast charging, 4K UHD external displays and up to 40Gbps data transfers. For easy transfers of data from your mobile devices, there’s also an microSD card reader.

Timeless beauty, effortless portability
The beautiful new ZenBook 13 and 14 are more portable than ever. It’s thinner, lighter, and incredibly compact, yet includes HDMI, Thunderbolt™ 3 USB-C™, USB Type-A and microSD card reader for unrivaled versatility. Built to deliver powerful performance, ZenBook 13 and 14 are your perfect choice for an effortless on-the-go lifestyle.

Bright, clear, power-efficient display
ZenBook 13 and 14 have a bright and clear four-sided NanoEdge display, with slim bezels that create an 90% screen-to-body ratio for a more immersive viewing experience. The low-power 1-watt display delivers an incredible 450 nits of brightness, while maximizing battery life.

ASUS ZenBook 13 UX335JA-ES003TS

- Windows 10 Home includes Office Home & Student 2019
- Intel® Core™ i5-1035G1 Processor 1.1GHz (6MB Cache)

The Intelligent touchpad, evolved

Powered by the new ScreenPad™ software, ScreenPad™ 2.0 now has a larger 5.65-inch touchscreen that offers many new features and benefits. This interactive secondary screen enhances productivity, allowing for more efficient workflow. The revised smartphone-like interface is more intuitive for improved ease of use. Third party developers can also use ASUS API to optimize their software and user experiences for ScreenPad. The hardware is now also more energy efficient than its predecessor, allowing for 2.5X longer battery life when ScreenPad is in use.

The most compact design ever

ZenBook 13/14/15 heralds a new era of ultra-portable design, with an ultracompact, ultralight chassis. Featuring the four-sided NanoEdge display, ZenBook 14/15 is one of the world’s smallest 13.3", 14", and 15" laptop and is 12% smaller than the previous generation ZenBook 15 (UX530) — so you can explore your creative vision anywhere!

Uncompromising performance

Designed to give you more screen area in less physical space, the NanoEdge design has slimmer bezels on all four sides to make any visuals more immersive, with less distraction for your eyes. It also features wide-view technology for clear images even when viewed from extreme angles. ZenBook 13/14/15 has a crisp, clear up to 4K UHD resolution display that makes any visuals look their best, with wide viewing angles and vivid, accurate colors.

ASUS VivoBook Gaming X571

Go beyond productivity and entertainment

For Younger Crowd

Windows 10

So much power. So many possibilities.

Lightning fast data performance

ASUS VivoBook Gaming X571 features a 512GB PCIe SSD with optional Intel Optane memory for 35% faster data access speeds. Alternatively, a dual-storage option provides the best of both worlds — the blazing data speeds of a 512GB SSD. Install apps on the SSD for superfast response times, and use the HDD to house large files such as movies, music libraries, and photo albums.

Less heat, more power

Heat is the enemy of performance. ASUS VivoBook Gaming X571 stays cool at all times with its highly efficient dual-fan cooling system that incorporates two heat pipes. Even though ASUS VivoBook Gaming X571 is more powerful than ever, this advanced cooling design ensures that it stays cool for maximum performance, anytime and anywhere.

Extreme immersion on an ultrafast display

The new NanoEdge design has an even thinner 7.4mm side bezel for extreme immersion in a much more compact package. A 100% sRGB color gamut and wide-view angles ensure vivid and consistent colors, even when you’re viewing it from extreme positions.

Immersive Harman Kardon audio

To create the next generation of ASUS SonicMaster audio technology, the ASUS Golden Ear team worked with renowned home and automotive audio experts Harman Kardon. The results are astonishing. A tailored mix of superior hardware — including smart amplifier technology that delivers louder sound with no distortion — and cleverly designed software ensure that ASUS VivoBook Gaming X571 gives you the ultimate audio experience.

Designed for productivity and entertainment

ASUS VivoBook Gaming X571 is powered by up to a 10th Generation Intel® Core™ i5 processor with up to 8GB RAM, and up to NVIDIA® GeForce® GTX 1650 graphics. It’s perfect for daily computing and entertainment, including light gaming, and video editing.

ASUS VivoBook S14
Wow The World

For Young Gen Z Crowd

NEW

Colors that are true to you
The unique colors of VivoBook S14 buck the trend, providing expressive hues that convey the true you. The colors reflect individuality and self-expression, so you’re already breaking boundaries even before you open the lid. Multiple color options include:

- Indie Black
- Gala Green
- Resolute Red
- Dreamy White

Be free from burden
VivoBook S14 keeps you productive and entertained, even on the go. With an overall weight of just 1.4kg and an ultraslim profile, VivoBook S14 simply slips into your backpack so it goes where you go, so get out there and show the world who you are.

Push Boundaries with NanoEdge
The thin bezel NanoEdge display provides you with an immersive viewing experience, and enables a more compact footprint so VivoBook S14 takes up less space on your desk or in your backpack. On top of that, its Full HD display offers wide viewing angles and exceptional color reproduction for truly vivid visuals.

Create, surf, or entertain
Whether you’re a content creator, or simply using VivoBook S14 as an everyday laptop, VivoBook S14 has the performance you need to get you through the day. It’s powered by up to a 10th Generation Intel® Core™ i7 processor with up to 8GB memory and NVIDIA® M5035M discrete graphics. A large-capacity PCIe® SSD gives you the superfaster storage so you can access what you need quickly.

Dare to Be You
Being bold means putting yourself out there, and the sleek VivoBook S14 stands out thanks to its textured metal chassis with diamond-cut edges, unique colors, and color-blocking Enter key. The diamond-cut design also makes it easier for you to open the lid.

ASUS Laptop X409 / X509
Experience the power of an everyday classic

Fast and efficient
ASUS X409/X509 ensure everyday tasks are handled with ease. They are powered by up to 10th Generation Intel Core i7 processors with NVIDIA GeForce MX350 discrete graphics. The dual storage design features up to a 1TB SSD and 1TB HDD, with optional Intel Optane™ memory technology.

Empower your dynamic lifestyle!
With an overall weight of just 1.8kg*, the extremely portable ASUS X409/X509 is the lightweight laptop that keeps up with your fast-paced lifestyle. It looks good, too, with its Transparent Silver or Slate Grey finish.

Reinforced chassis for your durability
X409/X509 feature the metal brace underneath the keyboard that provides a stable platform for a much more comfortable typing and touchpad experience. Besides the structural rigidity, perpendicular braces along the edge of the chassis work like side impact protection beams in automobiles to protect the hinge joint and internal components. The sides of the lid are reinforced and work like side-impact protection beams in automobiles.

EAR HDD protection
The HDD features E.A™ HDD shock dampening protection is designed to protect your data from physical impact. Laptop HDDs are generally more susceptible to physical damage compared to SSDs. This active hard-drive protection feature automatically detects shock and vibration across all three axes to effectively reduce the chances of HDD damage, so you can work without worry, even in a moving vehicle.

Get a wider view of the world
The NanoEdge display gives ASUS X409/X509 a vast screen area for an immersive viewing experience for work and play. Its wide view FHD panel features an anti-glare coating to reduce unwanted distractions from irritating glare and reflections, so you can truly focus on what’s in front of you.

7mm Thin bezel
83% Screen to body ratio

ASUS Laptop E210

Move with Style

With Windows 10, up to a quad-core Intel processor, and up to a 512GB PCIe SSD, ASUS E210 is well-equipped to help you achieve your goals. With ASUS E210, you can leave the heavy power adaptor at home. Its 12hrs battery life gives you the flexibility to work or play anywhere.

Enhanced productivity

The new ASUS NumberPad makes number-crunching a whole lot easier. Everything you need from a physical keypad is printed on the touchpad, simply tap the icon to turn it on. A cleverly designed 180° lay-flat hinge makes it easy to share content or collaborate with friends. The fanless design keeps noise levels down, so you won’t be distracted when working on a spreadsheet or watching a movie.

ASUS Laptop E210MA-GX097T

• Windows 10 Home
• Intel® Celeron® N4020 processor, 1.1 GHz (4M Cache)
• 13.3" FHD (1920x1080) display
