ASUS Provides True 2-Year International Warranty (100% FREE Service Charge & Spare Parts)

Did you know that only ASUS offers a 2-year Global Warranty that is absolutely FREE?

Some vendors claim to give a 3-year warranty, but it is actually only 1-year warranty plus 2-years free of service charge. You still have to pay the cost of replacing spare parts. Under them, this means if the 1-year warranty has expired, you still have to pay the cost of spare parts for repairs.
