ASUS

REPUBLIC OF GAMERS

EXTREME GAMING MONITORS

ROG SWIFT PG SERIES

Forged for Gaming Perfection

Blazingly Fast Refresh Rate up to 360Hz

Astonishing 360Hz native refresh rate makes it triple as fast as conventional 120Hz monitors. You'll experience amazingly-fluid gaming visuals, giving you the upper hand in first-person shooters, racing, real-time strategy and sports titles. There will be no break in the action!

* Availability may vary by model

With G-SYNC | Without G-SYNC

Competitive Edge with NVIDIA® G-SYNC™ Technology

NVIDIA® G-SYNC™ display technology delivers the smoothest, fastest, and most breathtaking gaming visuals imaginable by eliminating screen tearing, and minimizing display stutter and input lag. It gives you smooth and seamless lag-free visuals when playing the latest fast paced first person shooters, sports, and action-adventure titles.

AURA SYNC Lighting

With exclusive ASUS Aura Sync lighting technology, Strix series provide ambient lighting that can be synchronized with other Aura enabled components and peripherals. To achieve perfect synchronization, simply connect ROG Strix Series to other peripherals by installing the Aura Sync software on your laptop or desktop.
