ASUS Chromebook Enterprise Detachable CZ1

Ultralight and tough for cloud-first business

ASUS Chromebook Enterprise Detachable CZ1 delivers a tough, versatile design for empowering cloud-based workers and business owners. Built to military-grade standards, it's packed with protective features, including a wrap-around rubber trim, shockproof cover and durable 3D-textured finish. It features a free-angle adjustable stand cover and full-size keyboard with 1.5 mm key travel, plus an ErgoLift design — all to facilitate productivity, flexibility and comfort. Also, with a garaged stylus, world-facing camera, eye-friendly TÜV Rheinland-certified display and all-day battery life, ASUS Chromebook Enterprise Detachable CZ1 gives professionals the tools they need to get the job done efficiently and effectively, anywhere.

Military-grade toughness

ASUS Chromebook Enterprise Detachable CZ1 is designed to meet next-level, industry-leading U.S. MIL-STD 810H standards[1]. It also undergoes stringent in-house testing to ensure maximal toughness, and a solid cover provides an extra layer of defense that keeps the laptop safe.

Flexible stand design

The innovative free-angle stand on ASUS Chromebook Enterprise Detachable CZ1 can be adjusted to lay flat and remains in a stable position, providing perfect viewing angles for streamlining different workflows.

FHD screen with eye-care technology

ASUS Chromebook Enterprise Detachable CZ1 has a Full HD 10.1-inch multitouch display, providing vivid visuals and intuitive input for cloud-first work. The screen is certified by TÜV Rheinland for low blue-light emissions, helping to protect your eyes from potential damage.

A touch of genius

ASUS Chromebook Enterprise Detachable CZ1 features a stylus that quickly and automatically charges when garaged, keeping it ready for use and providing a safe place to store it.

Ergonomic keyboard design

ASUS Chromebook Enterprise Detachable CZ1 features an ErgoLift design, 1.5 mm key travel and full-size keyboard, enabling intuitive, comfortable typing experiences.

Dual cameras

Dual cameras on ASUS Chromebook Enterprise Detachable CZ1 combine to expand the way you can work. An 8 MP world-facing camera on the back and a 2 MP camera on the front let you capture vivid, high-quality photos and videos.

Day-long battery

Offering up to 11 hours of battery life on a single charge[2], ASUS Chromebook Enterprise Detachable CZ1 will last for a full day of work and more.

Application
Explore with Google Play[3]

Full access to Google Play[3] lets you use your favorite apps for work and creativity. Also, with seamless cloud integration, you can easily pick up right where you left off, from any device.

Security
Built-in security features

With automatic updates[3] and built-in anti-virus protection, ASUS Chromebook series keeps your device safe, secure and always up to datee.

Management
IT tools for remote management

ASUS Chromebook series enables IT to remotely enroll devices and set device policies, manage client certificates and monitor the fleet around the clock via the Google Admin console.
