ASUS Chromebook Flip CM1

Boundless discovery with tough versatility

ASUS Chromebook Enterprise Flip CM1 (CM1400) is made for boosting productivity and having more fun while on the move — all day, every day. A 360° hinge with an incredible world-facing camera provides the flexibility to work the way you like best, and up to 11-hour battery life¹ gives you the freedom to take it on the go. The slim-bezel design fits more screen into the compact chassis for easy multitasking, and the device is your gateway to the best of Google, including the rich library of apps for work on the Google Play². With speedy performance, robust security and convenient features, ASUS Chromebook Enterprise Flip CM1 is ideal for every kinds of business.

Portable elegance

ASUS Chromebook Enterprise Flip CM1 embodies pure style with a distinctively trendy look and feel. Designed for empowering on-the-go lifestyles, it's always ready to go wherever your day takes you.

Powerful performance

Powered by a dual-core AMD processor, ASUS Chromebook Enterprise Flip CM1 delivers excellent performance for responsive experiences with your favorite apps. Combined with the full capabilities of Google Workspace and other productivity apps from the Google Play², the device lets you make quick work of your to-do list, from anywhere.

Exceptional typing experience

A full-size, ergonomic keyboard with 1.4 mm key travel ensures that typing is supremely comfortable. Typing on a compact device has never been this smooth and easy! Accidents happen, and ASUS Chromebook Enterprise Flip CM1 is ready for them: its spill-resistant keyboard⁴ can cope with up to 66 cc of liquids without harm, so minor spillages can be easily drained, cleaned and dried.

Easy idea sharing

The 360° hinge on ASUS Chromebook Enterprise Flip CM1 allows it to be used in tablet mode, laptop mode, tent mode or standing mode — so it's ideal for browsing websites, completing tasks and sharing content easily with clients and colleagues.

Twice the cameras, twice the productivity

ASUS Chromebook Enterprise Flip CM1 includes a user-facing webcam and a special world-facing camera that is located at the bottom of the keyboard area. This second camera allows you to easily capture photos and videos in tablet mode, creating a totally new way to work.

Military-grade toughness

With structural reinforcements to boost chassis strength, ASUS Chromebook Enterprise Flip CM1 is solidly built and provides durability for all your travels. It also meets next-level and industry-leading MIL-STD 810H US military tests³, which are more rigorous and demanding than ever before. Additionally, the device undergoes stringent in-house testing — including panel-pressure, shock and drop tests — for ensuring maximal toughness, so you don't have to worry about everyday knocks and bumps.

Application Explore with Google Play²

Full access to Google Play² lets your employee's favorite apps for work and creativity. Also, with seamless cloud integration, you can easily pick up right where you left off, from any device.

Security Built-in security features

With automatic updates⁵ and built-in anti-virus protection, ASUS Chromebook Enterprise series keeps your device safe, secure and always up to date.

Management IT tools for remote management

ASUS Chromebook Enterprise series enables IT to remotely enroll devices and set device policies, manage client certificates and monitor the fleet around the clock via the Google Admin console.

The world-facing camera allows you to capture pictures and videos in tablet mode

Spill-resistant keyboard⁴ copes with up to 66cc of liquids

11 hours battery life¹ on a single charge

Google copyright ©2021 Maxar Technologies

1. Based on Chromium OS power Load Test. Battery performance is based on a mix of standby, web browsing and other use. Charging time requires the battery to be at least 5% charged, with the device inactive and using the included charger. Actual battery life depends on usage, specifications, applications and environment, among other factors.
 2. Internet connection required. Google, Google Play, YouTube and other marks are trademarks of Google LLC.
 3. ASUS Chromebook Enterprise Flip CM1 laptops undergo multiple laptop quality tests but are not subject to all tests stated. The testing data includes the requirements of both military-grade standards and ASUS quality tests.
 4. The ASUS Chromebook Enterprise Flip CM1 keyboard is spill-resistant, not waterproof. Water damage is possible if the product is submerged or exposed to large amounts of liquids for long periods of time. ASUS standard limited warranty does not cover problems resulting from accidents such as water damage. To prevent water damage resulting from large spills or other accidents, ASUS recommends turning off the notebook, then tilting the laptop to drain away the excess liquid, wipe it off and let it dry for at least 24 hours.
 5. Auto-updates and auto-backup require an internet connection.

OMNI-CONNECTIVITY

Multiple connections ensuring a seamless interface

3-Year international warranty

100% free of charge, with no hidden costs.

Pick Up & Return service

Enjoy a door-to-door service including pick up, repair, and return.
