

ASUS Chromebook Flip C436

A powerhouse built
for your creativity

You're bound to be impressed by the new ASUS Chromebook Flip C436. It's a thing of rare beauty, with a precision crafted magnesium-alloy chassis that weighs just 1.1 kg. Powered by the latest Intel® Core™ i7 processor, it delivers up to 12 hours of battery life¹ for outstanding performance throughout your day, and the multidirectional quad speakers immerse you in crystal-clear sound, whether you're using it in laptop, tent, stand or tablet mode.

Stylish and ergonomic

As well as sleek looks, comfort and ergonomics are a priority with ASUS Chromebook Flip C436. The precision-crafted chassis has a dual-tapered design, with the body and lid meeting to form a V-shaped edge that makes it easier to open the laptop.

The 13" laptop with a 14" display

The four-sided NanoEdge display design gives ASUS Chromebook Flip C436 an even smaller footprint than you'd expect, bringing you all the benefits of a 14-inch FHD display in a 13-inch chassis.

Powerfully clear sound

Despite its thin and light design, ASUS Chromebook Flip C436 doesn't compromise on sound quality. The innovative omnidirectional speakers project sound towards you for more immersive audio, whichever flip mode the laptop's in. Four high-quality stereo speakers with extra-large resonant chambers generate high-fidelity audio and deliver surround-sound effects that are on a par with much larger laptops. ASUS Chromebook Flip C436 delivers crisp and powerful sound for both music and videos.

Stay productive all day long

The 10th Gen Intel Core i7 processor makes ASUS Chromebook Flip C436 an ultra-powerful Chromebook. Combined with the full power of G Suite and other productivity apps from the Google Play store, ASUS Chromebook Flip C436 lets you breeze through whatever task awaits. This Project Athena laptop can even run for up to 12 hours on a single charge, so you can work or play throughout the day, even when you're on the move.

Faster, more stable Wi-Fi connections

With faster-than-wired speeds of up to 2.4Gbps², the Wi-Fi 6 in ASUS Chromebook Flip C436 lets you enjoy smooth streaming of FHD online videos and the transfer of large creative files in an instant. Entertainment and professional work has never been this easy.

A blend of old and new

The iridescent Aerogel White is a fresh new take on the standard white hue. The color changes subtly as your viewpoint changes, ranging from traditional white to varying shades of blue, purple, red and pink. Transparent Silver gives ASUS Chromebook Flip C436 a futuristic-looking neutral finish that's both understated and refreshing.

Application Explore with Google Play

As well as featuring the best of Google out of the box, ASUS Chromebook gives you full access to the Google Play Store, so you can use all your favorite Android apps for work, play, or creativity.

Security Built-in security features

With its automatic updates and built-in anti-virus protection, ASUS Chromebook Flip frees you from the worry of keeping your device safe, secure and always up to date.

Management Stay fast & Seamlessly

Thanks to the seamless cloud integration, you can easily access everything from any device. ASUS Chromebook opens up a whole new world of freedom!

Accessories	Sleeve, Stylus (optional) Type-C to HDMI cable

1. Battery performance is based on a mix of standby, web browsing and other use. Charging time requires the battery to be at least 5% charged, the device to be inactive and using the included charger. Actual results may vary.

2. Unless otherwise stated, Wi-Fi speeds are based on theoretical performance. Actual performance may vary.

3. The stated 4.9mm width of the side bezel is the distance between the edge of the non-active screen display area and the inside edge of the case. If the case width is included, the side bezel width is 5.3mm. The stated width of the bottom bezel is the distance between the edge of the non-active screen display area and the visible edge of the display when the laptop is opened to 90°. Measured based on standard (not anti-glare) display configuration.

NANOEDGE DISPLAY

Unbounded vision with the NanoEdge display

Designed to give you the most screen area in the least physical space, the new four-sided NanoEdge display is simply breathtaking: it makes any visuals more immersive, with less distraction for your eyes. The ultraslim bezels are just 4.9mm thin³ at the sides for a near-borderless experience, and the crisp, clear, high-resolution screen gives you a beautiful creative workplace.

HINGE

Precision-engineered versatility

Featuring a precision-engineered mechanism, the versatile 360° ErgoLift hinge on ASUS Chromebook Flip C436 has a silky-smooth action that holds the display securely at any angle. This innovative hinge has a dual action that lifts and tilts the keyboard into the perfect typing position when the display is rotated into laptop mode. It also helps enhance the powerful audio, by creating extra space underneath the laptop.

SOUND

Powerfully clear sound

Despite its thin and light design, ASUS Chromebook Flip C436 doesn't compromise on sound quality. The innovative omnidirectional speakers project sound towards you for more immersive audio, whichever flip mode the laptop's in. Four high-quality stereo speakers with extra-large resonant chambers generate high-fidelity audio and deliver surround-sound effects that are on a par with much larger laptops. ASUS Chromebook Flip C436 delivers crisp and powerful sound for both music and videos.
