The stock needs to have been purchased on or after the 1<sup>st</sup> December 2020 to be entitled for the program. The membership point balance will be reset to **0 points** every 12 months from the membership start date. Members need to register each purchase separately in order to accumulate points. The corresponding incentives/rewards will be sent to the user's registered address or email address.

1. Product registration and gaining points are for those fully paid purchases at that point in time.
2. Membership start date corresponds with the registration date of the member's first eligible purchase.

4. This offer is not valid for rental or leasing agreements.
5. Incentives are non-transferable, assignable or exchangeable for other goods or services.

7. Each award will be sent once only. For example, if an ASUS club member reaches 141 points and receives one Vivo Watch, when they reach 181-220 points, it won't be another award within the same level range.
8. If ASUS club member purchased a PBA PC system, the ASUS parts used inside the system (e.g. Motherboard, Graphics card, etc.) will not be able to be registered for extra points on the purchase within the same membership year. Please see step 6 for the additional explanation.
