Warranty Conditions

1. General

ASUS warrants the Product to be free from defects in workmanship and materials in the country where you originally bought your ASUS product during the Warranty Period. Please note that the warranty terms of bundled accessories may differ from the Product in different countries, please refer to <https://www.asus.com/support> or <https://rog.asus.com/support> for more details. (Please select your product by choosing your product series / product model to see its warranty) If the Product fails during normal and proper use within the Warranty Period, ASUS, at its discretion, will repair or replace the defective parts of the Product, or the Product itself, with new or reconditioned parts or products that are functionally equivalent or superior to those originally supplied.

This Warranty applies only if the Product was newly manufactured on the Date of Purchase and not sold as used, refurbished or manufacturing seconds. Please keep the original purchase invoice and this warranty card for future service request. This Warranty does not include failure caused by improper installation, operation, cleaning or maintenance, accident, damage, misuse, abuse, non-ASUS modifications to the product, any third party software programs, normal wear and tear or any other event, act, default or omission outside ASUS' control. For further details, see section 3 of this Warranty Card.

All components that an ASUS Service Center repaired or replaced will be under warranty for three months or for the remainder of the warranty period, whichever is applicable. The Repair Center may recover the originally configured operation system bundled with the Product. **ASUS will not restore or transfer any data or software from the Product's original storage media. If the Product is repaired, all user generated data may be permanently deleted.**

If the Product is under Warranty, You hereby agree to transfer the ownership of replaced defective parts and such parts shall automatically become the property of ASUS.

2. Display Panel Defect Policy

Despite the highest possible standards, the intricate manufacturing of the display panel may still produce slight visual imperfections. These visual imperfections do not impair the performance of Your Product.

However, ASUS will provide the warranty service for Your ASUS Product's display panel only if there are at least:

- 3 bright pixels or 5 dark pixels or 8 bright and/or dark pixels in total; or
- 2 adjacent bright pixels or 2 adjacent dark pixels; or
- 3 bright and/or dark pixels within an area 15 mm in diameter.

NOTE: A bright pixel is a white or sub-pixel that is always on under BLACK pattern. A dark pixel is a dark or sub-pixel that is always off under patterns excluding black.

The inspection conditions are:

- Not less than 30cm distance, in a straight line, between the display panel and the inspector
- Room temperature between 20~40°C
- Lighting is between 300 and 500 lux

3. Exclusions from this limited Warranty Service

ASUS does not warrant uninterrupted or error-free operation of this Product. The warranty only covers technical hardware issues during the Warranty Period and in normal use conditions. It applies to firmware issues but not to any other software issues or customer induced damages or circumstances such as but not limited to:

- (a) Damage caused to this Product(s) by you or any non-authorized third party, and the damage caused accordingly will not be covered by this Warranty, including but not limited to improper installation of HDD, SSD and/or RAM.

- (b) For those installed or modified with any other non-original software or hardware (such as HDD, SSD or RAM), ASUS will only test/repair under the original software/hardware configuration. ASUS does not warrant the issue caused by non-original software or hardware. This Warranty will not cover the damage caused accordingly, including but not limited to improper installation.
- (c) The serial number of the Product, components or accessories has been altered, cancelled or removed;
- (d) Obsolescence;
- (e) Damage (accidental or otherwise) to the Product that does not impact the Product's operation and functions, such as without limitation to rust, change in color, texture or finish, wear and tear, and gradual deterioration;
- (f) Damage to the Product caused by war, terrorism, fire, accident, natural disaster, intentional or accidental misuse, abuse, neglect or improper maintenance, and use under abnormal conditions;
- (g) Damage to the Product caused by improper installation, improper connection or malfunction of a peripheral device such as printer, optical drive, network card, or USB device, etc.;
- (h) Damage to the Product caused by an external electrical fault or any accident;
- (i) Damage to the Product resulting from use outside of the operation, storage parameters, or environment detailed in the User's Manual;
- (j) Damage to the Product caused by third party software or virus(es); or there is software loss or data loss that may occur during repair or replacement;
- (k) Unusability due to forgotten or lost security passwords;
- (l) Unusability of or damage to the Product caused by contamination with hazardous substances, diseases, vermin, or radiation;
- (m) Fraud, theft, unexplained disappearance, or damages/detrimental circumstances caused by a willful act of the customer;
- (n) Unusability or damage to the Product caused by installing and using the Unlock Device App, which is a utility that will unlock your Product's boot loader but will render the Warranty null and void.
- (o) Damage to the Product arising from cryptocurrency mining or related activities unless the model is especially designed for mining.

Returning the Product to the ASUS Repair Center during the Warranty Period does not automatically mean that it will be repaired free of charge. Upon receiving Your Product, ASUS reserves the right to check the validity of Your Warranty and Your request for Warranty service. It is necessary for ASUS to collect, transfer, and process personal data in order to facilitate the requested service; and for this purpose Your data may be transferred to and processed in any country where ASUS or its affiliated companies maintains offices, which include countries outside of the European Union, the mandatory laws of which do not guarantee a data protection level equivalent to the laws of EU member states. However, ASUS will use and protect Your personal data at any time and in any country subject to the ASUS Privacy Policy. Please access and read the ASUS Privacy Policy at:
