

International warranty and support

ASUS Notebook International Warranty offers service and support when the product is purchased within and requested for service and support within the coverage countries of ASUS Notebook International Warranty. For example, if you purchased ASUS product in country "A", moved to country "B" and would like to request for service in country "B", and if A and B are within coverage countries of ASUS Notebook International Warranty, such ASUS product is eligible for international warranty in country "B". For coverage countries list of ASUS Notebook International Warranty, please refer ASUS Notebook International warranty coverage country list as below.

Please note that some service and/or spare parts may not be available in certain countries. Therefore, it may take longer time for international warranty to complete the service. Service procedures may vary by country. Please visit ASUS Service Center website at <https://www.asus.com/support/> for more details.
