

# ASUSPRO D641SC

## Secure, reliable, and business-ready

ASUSPRO D641SC delivers performance, security, and reliability in an ultra-compact and sleek package so business users can have flexible and neat workspace. Although it's ultra-compact, it doesn't compromise on I/O ports, storage or durability. It meets military-grade MIL-STD-810G durability standards and features advanced security and management solutions. With a tool-free and highly expandable design, ASUSPRO D641SC can be easily configured to meet your current and future business needs.

## ASUSPRO D641SC

To make light work of all your business tasks, D641SC is powered by the latest Intel® Core™ processors with fast DDR4 RAM. Whether you want to save space, create a tidy workspace, fit more computers into offices or connect more business peripherals, D641SC is made for you. It's small enough to fit into any workspace, but capable of performing demanding tasks and seamlessly connecting to peripherals. It also runs cool to ensure stable performance.

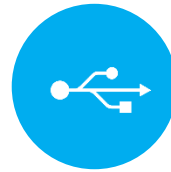

### The Finest Components

We choose world-leading components that deliver dependable quality and exceptional endurance.

### Optimized Performance

Powered by latest Intel® 9<sup>th</sup> Gen processor—faster and more energy-efficient for increased productivity.

### No Compromise I/O Ports

A full array of I/O ports ensures D641SC is ready to connect to a wide range of business peripherals

### Military Grade Durability

ASUS business desktops are solidly built and engineered to meet strict military-grade MIL STD 810G durability standards
