## ASUSPRO P1440FA

### Affordable, Versatile and Business-ready

Make the most of your budget with the affordable, flexible and business-ready ASUSPRO P1440. This lightweight yet sturdy laptop has a full complement of I/O ports and a business-friendly design that includes a lay-flat 180° hinge and an easy-access service door for quick component upgrades.

## ASUSPRO P1440FA

The stylish ASUSPRO P1440FA features premium brushed textures and a durable, scratch-proof finish. The robust hinge has a full 180° of movement, reducing physical stress on the hinge and allowing comfortable viewing angles and easy screen sharing.

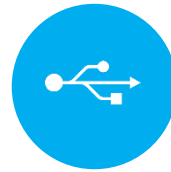

### 180-degree lay-flat hinge

The robust lay-flat hinge has a full 180° of movement for maximum versatility and comfortable viewing angles in any environment.

### Fingerprint sensor

The fingerprint sensor lets you use Windows Hello technology to quickly and securely login with just a touch.

### Comprehensive, hassle-free Connections

With a full selection of I/O ports, you can connect P1440 to your existing devices with no fuss or hassle.

### Military Grade Durability

Built and strictly quality-tested in accordance with US MIL-STD 810G military standards.
