ASUSPRO P2540FA

Built For Non-stop Productivity

ASUSPRO P2540FA is a reliable 15-inch business laptop that's built for non-stop productivity. It's tough enough to shrug off everyday knocks, and secure enough to protect even your most sensitive data. Its speedy performance and all-day battery life will let you breeze through even the longest working day, and the removable battery and easy-access service door extend productivity while simplifying maintenance and servicing. And even better, it's budget-friendly too!

ASUSPRO P2540FA

The ASUS P2540FA offers a range of performance and storage options, giving you the ultimate flexibility for your unique requirements. It's powered by up to 10th Gen Intel® Core™ i7 processors, with DDR4 memory — twice as fast as DDR3 — for effortless and efficient multitasking.

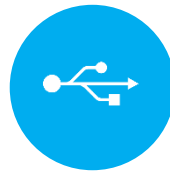

All-day productivity

P2540FA offers up to 12 hours battery life to keep you up and running even on your busiest days.

Fingerprint sensor

The fingerprint sensor lets you use Windows Hello technology to quickly and securely login with just a touch.

Comprehensive, hassle-free Connections

With a full selection of I/O ports, you can connect P2540FA to your existing devices with no fuss or hassle.

Military Grade Durability

Built and strictly quality-tested in accordance with US MIL-STD 810G military standards.
