

# ASUS Chromebook Flip C436

## A Powerhouse Built for Your Creativity

The new ASUS Chromebook Flip C436 is a premium Chromebook designed for professionals on the go, who need style, performance, and mobility for both work and play. The ASUS Chromebook Flip C436 features a thin and light design, all-metal finish, equipped with 10<sup>th</sup> Gen Intel® Core™ processor and verified by Intel's Project Athena. With the C436's 360-degree hinge, you can effortlessly flip the display into a tent, stand, or tablet mode for presentations or meetings, and play crisp and powerful music/video.

## ASUS Chromebook Flip C436

The 14-inch display in a 13-inch body made possible with the four-sided NanoEdge display design. The ASUS Chromebook Flip C436's precision-crafted magnesium-alloy chassis, powered by 10<sup>th</sup> Gen Intel® Core™ with Chrome OS, makes the C436 an ideal Chromebook for professionals who need a thin and light design, and performance.

### Fingerprint For Quick Unlocking

The ASUS Chromebook Flip C436 has a fingerprint sensor so there's no need to type in your password to unlock your Chromebook

### Powerful Clear / Surround Sound

The ASUS Chromebook Flip C436 delivers a crisp and powerful sound with its quad-speakers, perfect for both music and video. Certified by Harman/Kardon.

### Premium Look, All-metal Design

In addition to its sleek looks, comfort, and ergonomics, the chassis has a dual-tapered design, with the body and lid meeting to form a V-shaped edge that makes it easier to open the laptop.

### Compact, Yet Ultra-powerful

Thin and light, and powered by 10<sup>th</sup> Gen Intel® Core™ processor for handling demanding apps like video editing, content creation, or quickly switching between apps.
