

ASUS Chromebook Flip C434

The Best Just Got Better

Redesigned with the advanced features, including superior 4-way NanoEdge slim bezel, all-aluminum chassis with diamond cut edge design, 2-in-1 flip with FHD touch panel, Intel processor to maximize your productivity, backlit keyboard makes typing comfortable in dark environment, compact portability form factor of having a 14" touchscreen display in a 13" laptop chassis let you bring the ASUS Chromebook Flip C434 anywhere you go.

ASUS Chromebook Flip C434TA

The Intel® Core™ m3 processor improves office productivity by allowing you to multitask between programs and windows quickly for getting plenty of work done. The full-size backlit keyboard makes typing a more comfortable and accurate experience, and backlight to work in areas that have dim or dark lighting.

All-metal Chassis and Unique 360° ErgoLift

All-metal chassis design for a premium and sleek feel. The unique 360° ErgoLift hinge improves typing position and enhances audio performance.

Nano Edge Display

The 4-way slim bezel technology and FHD touch display enhances the viewing and interactive experience of the device. It allows the 14inch screen to fit in a 13 inch chassis.

No-compromise productivity

The full-size backlit keyboard with 1.4mm key travel offers a more comfortable and accurate typing experience, and its backlight works well in areas with dim or dark lighting.

Faster Intel Processors

The Intel® Core™ m3-8100Y processor is more powerful and responsive, making multitasking between programs easy, and editing photos and videos seamless.
