

## ASUS VivoBook S14

### See More, Carry Less

Whether at work or play, ASUS VivoBook 14 is the compact laptop that immerses you in whatever you set out to do. Its new frameless four-sided NanoEdge display boasts an ultra slim 5.7mm bezel, giving an amazing 87% screen-to-body ratio for supremely immersive visuals. The new ErgoLift hinge design also tilts the keyboard up for more comfortable typing.

## ASUS VivoBook S14 S412FA

The new Ergolift design adds a 3° keyboard tilt to give you a perfect typing position and the extra space created under the chassis improves cooling when playing videos, music or working for a long period of time. Whether you need to work or take a break, the VivoBook 14 is the smart and practical solution for professionals.

### Lightweight for on-the-go

Life moves fast, and you'll need a laptop that won't weigh you down. VivoBook 14 is compact and has travel-friendly dimensions and weight.

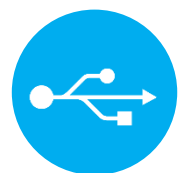

### One-touch Windows Hello Login

With VivoBook S14's built-in fingerprint sensor on the touchpad, there's no need to type in your password every time—just a single touch is all it takes!

### Full-size Backlit Keyboard

VivoBook 14's backlit keyboard is sturdy and comfortable and 1.3mm key travel distance provide a comfortable typing experience.

### Connecting the possibilities

VivoBook 14 is equipped with reversible USB Type C, HDMI, microSD card reader and USB 3.1 and 2.0 ports.
