

## Education Solution Guide

Technology is rapidly changing the way students learn and the way educators teach in the 21st century. **Remote Learning, Mobility, Cloud Collaborative Learning, STEAM Education, and Cybersecurity** are several trends and recent challenges that face modern education institutions. Education administrators increasingly require innovative education solutions to adapt to change.

ASUS is dedicated to solving the unique challenges facing today's students and educators. We are here to help cultivate the minds of the next generation with a comprehensive, student-centered product portfolio that includes Chromebooks, Windows-based laptops, desktops, AiO PCs and software to enable progressive and innovative learning in an ever-changing world.
